### ORGANOLEPTIC CHARACTERISTICS

Appearance: creamy emulsion

PH : 5.7 ÷ 6, 3

Fragrance : delicate flowery

Colour : ivory

### MANUFACTURE

Treated in a turboemulsifier under vacuum-seal with suitable temperature for preserving raw material and active ingredients.

### PACKING

Packed in a controlled environment and temperature (22°), with sterilized machinery according to the law n.713 dated 10/11/86.

### PACKAGE

Tiziano vase satin white glass ml 50 + round red lid

### EXPIRATION

PAO (Period After Opening) 6M

### INFORMATION AND DIRECTIONS

Avocado oil is undoubtedly the optimal lipid for use in phytopreparations; it also has primary functionality as eudermic such as softness, radiation protection, skin cracks restoring. For its formula rich in phospholipids, proteins, vitamins A, D, E, it is an excellent PA, addressed to the dry, devitalized and relaxed skins. The Shea butter has specific functions in cutaneous problems, also protective and anti-wrinkle.

**AVOCADO NIGHT CREAM** is therefore particularly suitable for skin that can not hold water necessary for its balance, then dehydrated and dried, both physiological tendency, both for reasons due to stress, the influence of harmful external agents such as sun, wind, pollution. The nutritional properties of oils and natural extracts of Horsetail, Echinacea and carrageenan present in the formulation, give elasticity and firmness to off and relaxed skin.

As the skin absorbs better cosmetics during the night, it is advisable to apply **AVOCADO NIGHT CREAM** especially before bedtime every night, after preparing the skin with a good cleaning.

NOTE : The products can be modified in order to improve its functionality. In particular the use of active substances and plant extracts, actually obtained using standard methodologies, can change color and smell of the products for the impossibility to obtain crops of plants equal to each other.
