INFORMATION AND DIRECTIONS

Full lips, plump, toned and smooth. **FlutUp Volumizing** promotes the natural lip augmentation avoiding risks and hassles caused by invasive techniques practiced in cosmetic surgery. Visible results already begin to be appreciated after only two weeks of daily use. Day after day, you will notice an obvious greater firmness, hydration, and definition of the lip, with more elastic, smooth and velvety skin. **FlutUp Volumizing** is a moisturizer with a pleasant natural aroma of strawberry that contains valuable active plumping anti-aging and nourishing properties. The formula rich in hyaluronic acid, musk rose, Shea butter, vitamin C and vitamin E, is enhanced by a biomimetic peptide that promotes the stimulation of collagen and glicosammiglicani synthesis. To obtain good results it is recommended the application of **FlutUp Volumising** at least **3 times a day**. The interruption (or partial) of treatment, could undermine any expectation of result.

NOTE: The products can be modified in order to improve its functionality. In particular the use of active ingredients and extracts, actually obtained using standard methodologies, can change color and smell of the products for the impossibility to obtain crops of vegetable equal to each other.
