PAO (Period After Opening) 9M

INFORMATION AND DIRECTIONS

It protects hands from external aggression that make the skin dry and cracked. The presence of Shea butter, sweet almond oil and green tea extract, make your hands softer and well-fed, wrapping them in a delicate fragrance. We recommend daily use and when they feel the need (dry hands).

NOTE: The products can be modified in order to improve its functionality. In particular the use of active ingredients and extracts, actually obtained using standard methodologies, can change color and smell of the products for the impossibility to obtain crops of vegetable equal to each other.
